Jodi Ostroff, Ph.D., registered audiologist CASLPO

Clinical Account Manager, MED-EL

Jodi holds a Ph.D. in Speech and Hearing Sciences from The City University of New York (CUNY). She completed her post-doctoral fellowship in the evoked potentials laboratory of The Rotman Research Institute, Baycrest. She worked as a clinician-scientist in the cochlear implant program at Sunnybrook Health Sciences Centre for close to a decade. Following that, Jodi worked in private practice both as the Director of Professional Development and as a dispensing audiologist. Jodi has a broad range of experiences which include teaching at the graduate and undergraduate level, working for the College of Audiologists and Speech-Language Pathologists of Ontario (CASLPO) as a practice advisor, and consulting for the Workplace Safety and Insurance Board (WSIB) of Ontario. Jodi is currently a Clinical Account Manager for MED-EL.
